Your WireWatch Report from eReleases

This complimentary WireWatch(TM) report includes links to your actual release as it appears on a select group of sites we sample for this report.

It represents a round-up of postings within two hours following your release's distribution.

This report is not a full distribution list but a confirmation that your release is live on the newswire and accessible to the media. Your target trade selections are not necessarily reflected here because this report represents your release posted on websites that obtained your release from the newswire's newfeed. Many of the trade media outlets are offline.

Please note that some business sites such as CBS MarketWatch and Yahoo! Finance post all of the releases that stream from PR Newswire, including non-business/finance releases.
